

# Exhibitions and Art at The Hive

The Hive is looking for ideas and activities to develop arts and cultural activities, in line with its vision and mission to present exciting, innovative work that reflects the diverse range of talent and skills Worcestershire has to offer.

If you have an arts proposal or would like to find out about putting something on at The Hive, please firstly refer to [our policy](#) and then [fill in our application form](#) and send it to our programming group - [programming@worcestershire.gov.uk](mailto:programming@worcestershire.gov.uk).

Projects will be assessed at a bi-monthly meeting by a panel and you will be informed within two weeks of the meeting of the status of your application. Space is allocated on a first come, first served basis.

If you are interesting in hiring exhibition space please read our [terms and conditions](#) before completing and submitting an [exhibition enquiry form](#). Your form should be returned to [programming@worcestershire.gov.uk](mailto:programming@worcestershire.gov.uk)

The exhibition spaces we have to offer are:

- **Atrium** – Level 1.  
In this space you can hire up to 40 of our exhibition panels and up to 4 display cabinets. The panels can be positioned in a variety of ways to suit your show. They are 900mm W x 2000mm H.  
We also have hanging sets which allow damage free hanging of up to 200 framed pieces (100 larger/heavier framed pieces).  
If you wish to affix your pieces to the panels with screws, there will be a 'making good' charge.
- **Display Cabinets** – Level 1.  
These are the 4 cabinets located in the atrium which can be hired separately from the main exhibition space. The units also have shelves either side so marketing materials can be placed alongside your pieces or a themed library book collection can be requested to compliment your exhibition.
- **Hive Café** – Level 1.  
The Hive Café has an art wall equipped with a hanging rail to accommodate 7 linear metres of pieces. Mounted prints can also be displayed on this wall.
- **Hive Shop** – Level 1.  
In The Hive Café there are 3 display cabinets which can be used to show a variety of items, pictures included.
- **Display cases** – Level 3.  
These cases are built onto the ends of the tall bookcases on Level 3. Ideal for displaying a large series of small pieces, or a curated collection.

*Please note the atrium exhibition space on Level 1 is currently booked up 18 months in advance.*
