ICT FACILITIES REQUIRED

Please check the [equipment pages](#) at the end of this form to see if your room has a computer already.

Will you be bringing your own computer? Yes No

If yes, anyone who has a Worcestershire Library or University of Worcester card can access the Wi-Fi for free, as well as printing and copying (at a charge). If you don't have a library card please [join online here](#) and make sure you upgrade your membership to include Wi-Fi on the day by speaking to a member of Hive staff.

If no, please let us know how many laptops you require (up to 17 or subject to availability)

Are any delegates under 18? Yes No If yes how many

If yes, please note that children under 18 will require a library card to access Wi-Fi. Their library card must be approved for internet use by their parent or carer.

If you are using a Hive computer, is there additional software you require that is not standard (Standard includes: Microsoft Office 2010, Adobe suite, VLC and various browsers)?

A copy of the software or download link is required at least **10 days before the event. Written proof the software is licenced is required from the organiser.** Organisers are also required to test software beforehand (The Hive cannot guarantee software will work correctly otherwise.)
